

INTRODUCING

# SAFESEAL™ SNACK CUPS

**90% of global consumers believe brands have a big responsibility to ensure product safety.\***

\*WestRock Company, 2016.

## SAFESEAL™ TAMPER-RESISTANT, TAMPER-EVIDENT SNACK CUPS

With the same tamper-resistant, tamper-evident features you already trust from our SafeSeal™ line, these snack cups inhibit tampering and increase customer confidence in your food. The 360° perimeter seal preserves product freshness and prevents leaks and spills. You can proudly showcase your grab & go offerings in these clear, durable cups. Our SafeSeal™ Snack Cups can be used with our Cup Inserts to add sauces, dips or toppings to increase your variety of snack offerings!
