

# RENDING NOW

## A SPECIAL THANK-YOU FROM SHEPHERDS OF GOOD HOPE

“

Special thanks to Snelling Paper & Sanitation Ltd, @oursnellingpage and especially Steve Chestnut, Vince Micucci, and Steven Plummer for their generous donation and continued support.

These contributions and support allow us to provide essential services and programs to members of our community. Thank you for all you do!

**E.B. Box Company**

**PAMPAK** Made in CANADA  
 convenient ♦ leak proof ♦ sustainable

E.B. Box is proud to present Prêt À Manger ECO, (PAMPAK ECO) nested food cartons now with an ECO friendly Compostable option. This specialty coating is designed to provide poly levels of grease and moisture holdout while creating a fully recyclable and compostable option for the boxes.

Also we manufacture this product with FSC Certified 100% recycled fibers to further the sustainability aspect of this packaging and it's all made right out of our facility in Richmond Hill, ON.

Fully manufactured in CANADA.

Look for our logo at the bottom of your containers. If it says PAMPAK, it's made in Canada
